OREOLUWA OLAIYA

I'm a Graphic Designer and Web Developer passionate about creating stunning visuals and functional websites.

About me

OREOLUWA
Olaiya

I'm Olaiya Samuel Oreoluwa, a Graphic Designer, Web Developer, and Animator with a BSc in Computer Science.

My expertise spans whiteboard animation, animation videos, logo design, logo intro videos, flyers, posters, social media graphics, website design, cartoon creation, business cards, and other digital designs. I combine creativity with technical precision to bring ideas to life.

Orelvin TechWorks

A logo is the face of a brand, and I create unique, memorable, and impactful designs that reflect your identity. Whether minimalist, modern, or creative, my logos ensure versatility and brand recognition across all platforms.

COMING SOON

10.06.2025

www.goldenbrickestate.com

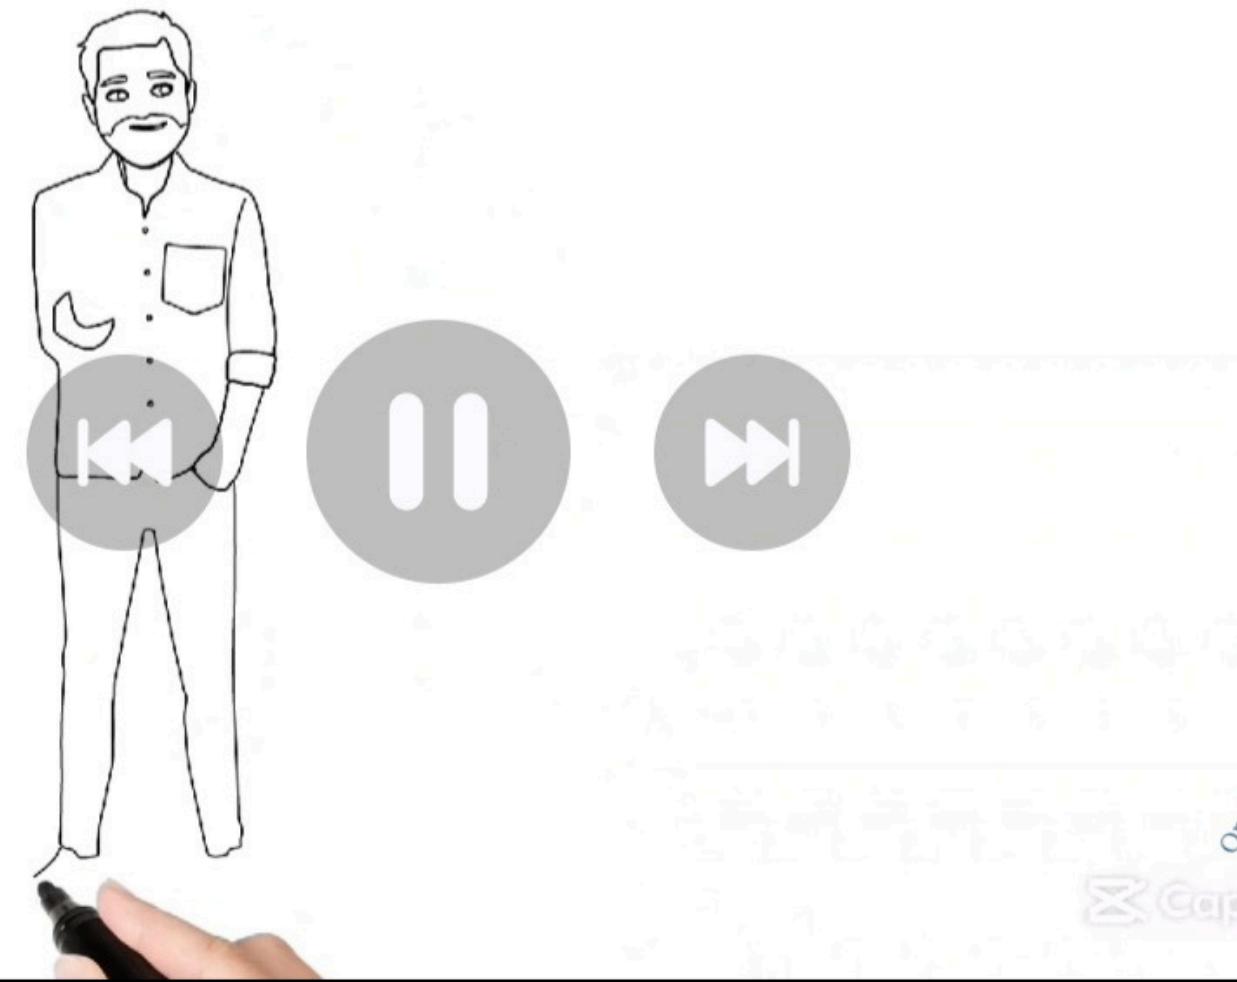

Here are some Coming Soon flyers we designed for clients who returned to work with us after seeing our previous work. This reflects our commitment to delivering quality designs.

This flyer features a black background with a subtle brick wall texture. In the top left corner is the 'VE' logo for 'VOGUE EDGE FASHION WITH AN EDGE'. To the right of the logo is a placeholder text area: 'Your paragraph text'. Below this is a large, bold 'LAUNCHING' text inside a white rounded rectangle, with 'SOON' in a yellow oval at the bottom. The date 'April 6, 2025' is centered below the main text. At the bottom, it says 'STAY TUNED FOR EXCLUSIVE PREVIEWS' and provides the website 'www.vogueedgefashion.com'. The overall design is modern and professional.
